Description The collection of an administrative fee by the county sheriff					

Assumptions Used in Arriving at Fiscal Estimate

This bill allows a county sheriff to collect an administrative fee of up to \$25 to cover various costs related to fingerprinting, booking and photographing persons.

The bill does not appear to involve the court system in this process, therefore, it will have no fiscal impact on the courts. It may have an impact on the county government if the decision is made to impose, collect and refund (under certain circumstances) the fees.

Description					
The collection of an administrative fee by the county sheriff					

Assumptions Used in Arriving at Fiscal Estimate

Under the bill, a county sheriff may collect a new fee of up to \$25 from a person who has requested that he or she be fingerprinted to cover the cost of such fingerprinting. A county sheriff would also be permitted to collect a new fee of up to \$25 from a person who is arrested to cover the cost of fingerprinting, photographing, information filing, and gathering other information. Any fees collected from an arrestee who is not charged with a crime, for whom charges are dismissed, or who is acquitted, must be refunded.

The Department of Revenue (DOR) does not maintain data on the number of persons who request that they be fingerprinted or on the number of persons arrested and the dispositions of the cases for those persons who are arrested. Data on the number of persons arrested, and on the police agency which made the arrest, are maintained by the Wisconsin Office of Justice Assistance.

DOR is unable to estimate the increase in county sheriff fees that this bill could engender. Any increase in fees could potentially reduce the amount of other county revenue, such as the county property tax levy, needed to support county sheriff departments compared to current law.
